

OUTDOOR LIVING EXPERIENCE

IN THE SORBIERS ESTATE AT THE
SHORES OF THE HAUTE-MEUSE

The canvas tents offer overnight accommodation on the banks of the Meuse, close to nature. They combine the 'cocoon' facilities of hotel rooms with a more adventurous outdoor experience in a tent. The tent rooms are spread over the 17-hectare estate, away from the main buildings and close to the fruit trees. The concept has been developed with the environment in mind.

LIFE UNDER THE STARS

The immediate surroundings of Les Sorbiers are very quiet, but some precautions are necessary: small padlocks are provided to close the zip. A shoebox at the entrance to the tent allows you to take off your shoes when entering. Electricity is available in the tent rooms. On your arrival at Les Sorbiers you will receive a «user guide»

and the hotel team will give you all the information you need to start your holiday.

SANITARY FACILITIES AT THE ADVENTURE

Stainless steel tanks provide drinking water for brushing teeth and quenching thirst. Water barrels for showers are heated by solar energy! The Sorbiers team is there to provide extra water or calories if needed. A soap and shampoo set is available at reception. The toilet blocks are equipped with very comfortable dry toilets. Instructions for using the toilets are available on site.

DINING AS IN A HOTEL

The restaurant «En Face de l'île» serves a wide variety of meals such as snacks, midday meals or full menus. Weather permitting, breakfast baskets can be taken from the restaurant and enjoyed on the tent terrace.

THE SAFETY OF YOUNG AND OLD

The environment of Les Sorbiers, like any natural environment, has its beautiful sides but also certain risks. The banks of the Meuse and the proximity of water are some of these. Les Sorbiers invites all visitors to take the necessary precautions and follow the rules in place.
